A Bad SKIN
Boils, Pimples, Impure Blood.

Boils are simply very large pimples.
The trouble is not in the skin, but
down deep in the blood. You cannot
have a good, smooth skin unless it is
nourished by pure blood; and the only
way to make your blood pure is to take
a strong blood-purifying medicine.
Mr. F. Ellian, of 370 Rae Street,
North Fitzroy, Victoria, sends us this
letter and his photograph:

"I had a most frightful attack of boils and
pimples breaking out all over my body. I had
heard so much about

**AYER'S
Sarsaparilla**

"I thought I would give it a trial. It took only
four bottles to drive all the impurities out of
my system and make my blood rich. I have en-
joyed the best of health ever since I took it."

If your tongue is coated, if your food dis-
tresses you, if you are constipated or bilious,
take Ayer's Pills.

THE HOUSE GETS RECKLESS

APPROPRIATIONS THAT DO NOT
APPROPRIATE.

Reports Adopted Setting Aside About
Three Times as Much Money as
There is.

The plan of the House to refer appro-
priations for the different islands to the
members from such islands appears to
have worked too smoothly. It was
understood in advance that all the re-
ports were to be adopted, and the mem-
bers and committees gladly took up the
work. When the House got through
yesterday afternoon it had unanimously
adopted reports recommending the ap-
propriation of about three times
what the very highest estimates say is
available. This brilliant success of the
island committee scheme, exceeded all
expectations, and will give the House
a current expenses bill that will be
the delight of the senate men with
axes.

The reports adopted by the House
appropriate about \$2,000,000. There is
estimated to be from \$500,000 to \$700,-
000 available, provided that the in-
come tax law is sustained, while a
bond issue under the old loan act
might have added \$750,000 more, if the
senate had not killed it.

The following are the appropriations
for the island of Oahu as suggested by
the House committee of members from
the island:

The Hawaii committee's report, pre-
sented yesterday afternoon, asked for
\$589,225 for the island. This is
all the money there is, but the
House unanimously adopted the report
because it could not do otherwise.
When remonstrated with the Hawaii
men calmly replied that the Oahu re-
port had been adopted and that the
Hawaii report ought therefore to be
adopted too. The appropriations for
districts are as follows:

Honolulu	\$114,000 00
North and South Kohala	52,400 00
North Kona	41,900 00
South Kona	21,900 00
South Hilo	172,000 00
North Hilo	58,000 00
Kau	70,150 00
Puna	58,975 00
	\$589,225 00

Maul and Molokai were not to be
left and came in with a report, which
was likewise adopted unanimously,
favoring the following appropriations:

Hana	\$158,000 00
Makawao	57,300 00
Wailuku	100,250 00
Lahaina	56,600 00
Molokai	25,008 25
Lanai	1,000 00

Grand total, Maui, Molokai
and Lanai

\$389,158 25

Having given each island, on paper,
all its representatives wanted, the
House adjourned for the day.

lowing was the program:

versity.

The following are the members of the
graduating class: Ethel Moseley Dam-
on, Charles Sheldon Judd, Mary Hes-
ter Lemon, Sarah Irene B. L. Lyman,

Kui Far Yap.

MR. ROBERTSON'S PLAN.

A. G. M. Robertson thinks that a good
scheme for a Fourth of July program
would be to combine it with the boat
race at Pearl harbor, having the lit-
erary and other features at Remond
Grove. He feels that as a large part
of Honolulu will be down there any-
way an excellent opportunity for suc-
cess presents itself.
The first train for the races will leave
the city at 9 o'clock in the forenoon.

Jared Smith Has Asked for An
Assistant.

United States Agricultural Commis-
sioner Jared Smith has sent to Wash-
ington for the approval of the appoint-
ment of T. F. Sedgwick as assistant in
his department here. It is expected
that the appointment will be quickly
approved and Smith states that when
he has such an assistant, who can look
after affairs here, he proposes to make
trips to the other islands.
The commissioner says he has re-
ceived many invitations to go to the
other islands, but cannot leave until he
has someone who can take charge here.
As it is now he is the commissioner,
disbursing agent and everything else.
The kicks about Tantalus have de-
veloped the fact that the high location
of the experiment station is not any
more satisfactory to the experimenters
than to the kickers. "I should have
preferred some lower land, as more re-
presentative of the average conditions,"
said Mr. Smith, "but as we have no
low land we shall have to co-operate
with others who have, in our experi-
ments on such land."

IN THE COURTS.
Release has been filed in the case of
Mr. Kanupena vs. Kauna, action for
damages for malicious prosecution, in
consideration of the payment of \$300.
The defendant's brief was filed this
morning in the Supreme Court, in the
case of J. J. Byrne vs. P. J. Voeller.

melemele Girls' School will be held

ter.

ware Company, had a leg fractured in
three places Saturday by being thrown
from his horse. He was riding alone

his horse was frightened by dogs and

ANDREWS A FEDERAL OFFICER.

National Bankruptcy Act Invoked
Against Amara.

In the United States district court
yesterday morning a petition of Theo-
H. Davies and Company, M. S. Grin-
baum and Company and M. Phillips and
Company, was filed, asking that Chang
Tai Man, alias C. T. Amara, of Paua, Oahu,
Hawaii, be declared insolvent. The
petition sets forth that the Chinese
owns the three petitioners the sum of
\$2,798.63 and that he is insolvent. It is
alleged that on May 18 he committed
an act of insolvency by transferring
the sum of \$1,500 to one Anthony Led-
gate of Paua, with a view of making
Ledgate a preferred creditor. The peti-
tioners ask that the marshal, acting
under the national bankruptcy act,
take possession of the store of the de-
fendant.

The proceeding in the case comes just
in time for the papers to be serv-
ed as the first act of sheriff Andrews of
Hilo as a deputy United States marshal
Andrews' appointment as a field mar-
shal under marshal Ray was confirmed
by the last mail from Washington.

LIMB OF THE LAW ON LEGS.
Judge Gaynor has decided that the
value of a man's leg is \$10,000. That
depends. Sale of pull?—New York

UNNECESSARY LOSS OF TIME.
Mr. W. S. Whedon, Cashier of the
First National Bank of Winteret, Iowa
in a recent letter gives some experience
with a carpenter in his employ, that will
be of value to other mechanics. He
says: "I had a carpenter working for
me who was obliged to stop work for
several days on account of being trou-
bled with diarrhoea. I mentioned to
him that I had been similarly troubled
and that Chamberlain's Colic, Cholera
and Diarrhoea Remedy had cured me.
He bought a bottle of it from the
druggist here and informed me that
one dose cured him and he is again at
his work." For sale by all dealers,

agents Hawaiian Islands.
